

Scripps to report fourth-quarter results; webcast of conference call available

For immediate release
Feb. 7, 2014

(NYSE: SSP)

CINCINNATI – The E.W. Scripps Company will report fourth-quarter and year-end operating results before New York Stock Exchange trading begins on Tuesday, March 4. A telephone conference call with members of the company's senior management team will follow at 9 a.m. Eastern time.

Scripps will offer a live webcast of the conference call. To access the webcast, visit www.scripps.com and follow the "investor relations" link at the top of the page. The webcast link can be found under the "upcoming events" heading on the "investor relations" landing page.

To access the conference call by telephone, dial (877) 531-2988 (U.S.) or (612) 333-4911 (international) approximately 10 minutes before the start of the call. Investors and analysts will need the name of the call ("fourth-quarter earnings report") to be granted access. Callers also will be asked to provide their name and company affiliation. The media and general public are granted access to the conference call on a listen-only basis.

A replay line will be open from 11 a.m. Eastern time March 4 until 11:59 p.m. March 18. The domestic number to access the replay is (800) 475-6701 and the international number is (320) 365-3844. The access code for both numbers is 316445.

A replay of the conference call will be archived and available online for an extended period of time following the call. To access the audio replay, visit www.scripps.com approximately four hours after the call, choose "investor relations," then follow the "audio archives" link on the left side of the page.

About Scripps

The E.W. Scripps Company (www.scripps.com) serves audiences and businesses through a growing portfolio of television, print and digital media brands. Scripps owns 19 local television stations as well as daily newspapers in 13 markets across the United States. It also runs an expanding collection of local and national digital journalism and information businesses including online multi-source video news provider [Newsy](http://Newsy.com). Scripps also produces television programming, runs an award-winning investigative reporting newsroom in Washington, D.C., and serves as the long-time steward of one of the nation's most successful educational programs, Scripps Spelling Bee. Founded in 1879, Scripps is focused on the stories of tomorrow.
