

‘My Favorite Murder’ hosts are partnering with Stitcher to launch Exactly Right network

Aug. 15, 2018

LOS ANGELES – “My Favorite Murder” hosts Karen Kilgariff and Georgia Hardstark – who have broken podcast download records and sold out live shows around the world – are launching Exactly Right Media, a new podcast network in partnership with Stitcher.

Exactly Right builds on the growing enthusiasm for “My Favorite Murder,” one of Apple Podcasts’ most-downloaded shows, from their loyal following of fans, aka “Murderinos.”

Kilgariff and Hardstark are curating the Exactly Right lineup to give their fans more of the content they love while expanding into podcasts outside of the show’s trademark focus on true crime and comedy.

Exactly Right will cover a variety of topics, serving the highly engaged audience of “My Favorite Murder” and beyond.

“With Exactly Right, we want to provide a platform for bold, creative voices to bring to life provocative, entertaining and relatable stories for our fans,” said Kilgariff and Hardstark. “We are thrilled to be able to bring this incredible lineup of podcasts to our audience, and we can’t wait to unveil the first shows later this year.”

Exactly Right’s roster of podcasts will be hand-picked and developed by Kilgariff and Hardstark and produced in collaboration with podcast industry leader Stitcher. Midroll Media will continue to represent the podcast advertising for “My Favorite Murder” and all shows on the new network.

“My Favorite Murder” is Exactly Right’s founding podcast. Details on the network’s other shows will be announced soon on exactlyrightmedia.com.

“With incredible speed, Karen and Georgia have created a worldwide phenomenon with ‘My Favorite Murder.’ That goes well beyond podcasts: they host fantastic live shows, and they have created and nurtured a remarkably rich, engaged fan community,” said Chris Bannon, chief content officer for Stitcher. “They have a unique ability to find and tell stories that captivate podcast audiences, especially women. I’m delighted that Stitcher has partnered with Karen and Georgia on Exactly Right to help bring these wonderful stories to life.”

The expansion of the “My Favorite Murder” brand into a new network of podcasts comes on the heels of last week’s news that Kilgariff and Hardstark are publishing their first book, “Stay Sexy & Don’t Get Murdered,” to be released in May 2019. Visit the publisher’s [website](#) for more information.
